Cleeve Park - September 2021 - Careers Newsletter

Welcome back

There is a lot happening in the world of Careers Education at Cleeve Park School. Through our newsletter and website, we will keep you updated on all things careers.

During the COVID pandemic our students have continued to work hard and stay motivated which paid off as the Yr11 and Yr13 students secured places at their chosen destinations, such as University, Apprenticeships, Colleges or Sixth form to further their studies. Others have successfully joined the world of work.

If your son/daughter needs advice regarding their next steps please do not hesitate to contact me.
