

4 September 2024

Dear Parents and Guardians,

I hope this message finds you well. I wanted to bring to your attention a temporary issue that may impact your child's commute to and from school.

Due to ongoing roadworks and increased traffic in our area, the B14 bus service is expected to face delays and disruptions in both directions. Unfortunately, this situation is beyond our control and is likely to persist for some time.

To help you plan accordingly, here are a few important points to consider:

- **Delays:** The B14 bus may experience significant delays, especially during peak hours. We recommend allowing extra time for your child's journey to ensure they arrive at school on time. Please also be aware that your child's journey home may take longer than expected.
- **Alternative Routes:** To minimise any inconvenience, you might want to explore other transportation options (e.g walking part of the journey or cycling).
- **Ongoing Communication:** We will keep a close eye on the situation and provide updates where we can. The [one.network](#) website provides up to date information on road works, please follow the hyperlink to find out more information.

Thank you for your attention to this matter.
