Dear Parents and Carers,

Following on from previous correspondence, I'm writing to let you know that this week we had two representatives attend the school from Charlton Athletic Community Trust (CACT), who run the Football Academy. CACT were extremely keen to talk to our current year 12 Football Academy cohort, as this cohort will move across to the new arrangement from September 2025. The academy has also confirmed they will be funding new kits for this cohort.

This session proved to be a really useful exercise, which was met with enthusiasm by all parties. Students had the opportunity to discuss areas they would like to see included in the programme from 2025/2026, ask any questions they had and for the CACT representatives to discuss their offering and next steps. It was evident to see that the programme opens up a number of opportunities for our students within the Football Academy and CACT are keen to get them involved with pre-training sessions prior to the next academic year.

I'm sure you'll agree this partnership between Cleeve Park and CACT is a fantastic opportunity for our Sixth Formers and will indeed be a programme that we will continue to build on.

Should you have any questions, please email sixthform@cleevepark-takt.org in the first instance.

Yours sincerely

Ms K Tangi
