# WE ARE BACK!

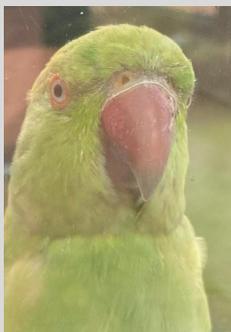

Ms Tebbutt, HOY 9

Mr Southby, HOY 8

Mr Moloney, HOY 7

This is 'Jeremy'- the Parrot. He has spent a lot of time sat looking in the window, watching 7HYW during form time. He clearly wishes he was educated at Cleeve Park!

**Dear Parents, Carers and Students,**

We have been delighted to welcome you all back to school and, finally, have our school community together again for our first edition of the 20-21 School Newsletter.

Although we have only been back to school for a term, you will see on page 2 that our students have wasted no time in winning awards for achievement and attendance.

Undeniably, things around the school have had to change due to COVID, but we have been delighted with how quickly students have adapted and co-operated with the

Health and Safety processes put in place.

It is true that the school day may now be structured a little differently, but we are pleased to inform you that our students are continuing to thrive— as the photographs taken throughout this term show!

We wanted to share with you just some of the great things students in Year 7,8 and 9 have been doing since September.

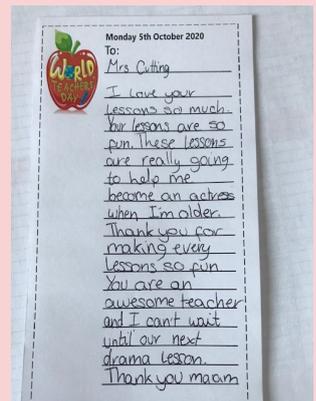

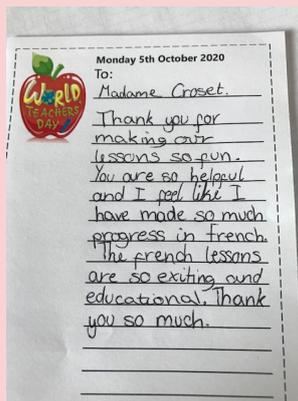

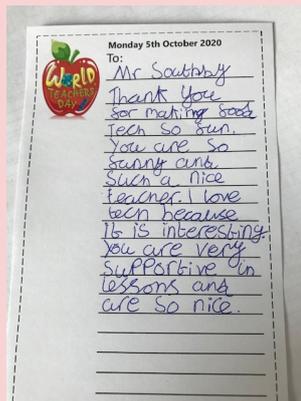

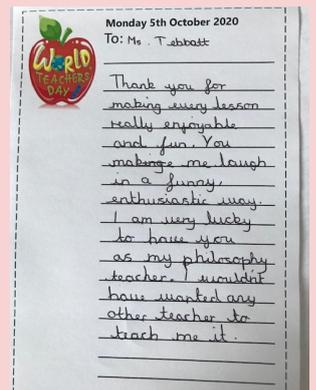

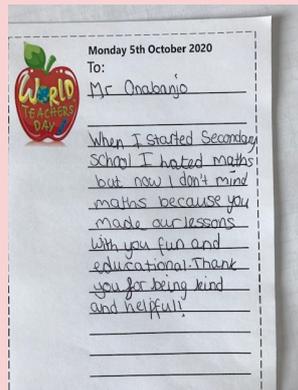

**We hope you enjoy reading,**

**The KS3 Team**

## 5TH OCTOBER- WORLD TEACHER DAY

The 5th October was World Teacher Day, and as such provided an occasion for some of our students to celebrate the teaching profession and recognise that the staff here at Cleeve Park School play an immensely valuable role within society.

It was wonderful to hear students discussing the teachers (both past and present) that have made difference and long-lasting contribution to their own lives— some decided to share their gratitude personally with the 'Thank you' notes below.

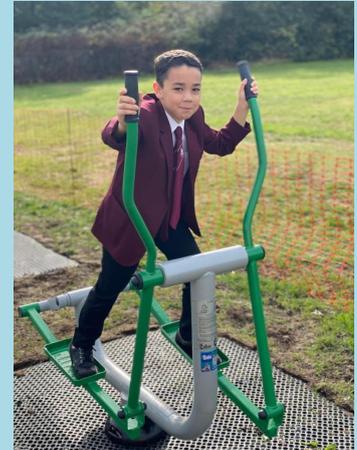

# What's New in School?

It's not just the students' timetables that have changed since September— we have had some new gym and sports equipment ready for our students as they started the new term...

On the field, students can now use the out-door gym apparatus to stay fit and healthy.

Inside, we have transformed 'The Attic' into a brand new gymnasium with state-of-the-art equipment for our KS4 and KS5 students to use in their PE lessons.

There is now a free weight section, as well as treadmills and exercise machines to give students a full cardio and muscle workout!

## Year 7 PSHE

Here at Cleeve Park, the Year 7 Team take great care in making sure all our new students settle in well and make new friends. As part of this, we look at delivering assemblies and PSHE lessons where we focus on team-building and confidence. We encourage all our students to support each other, and as part of this Mr Moloney ran an 'Anti-Bullying Poster Competition.' Students used their Form time to design and produce a range of posters that were then put up around the school.

This term, the English Department wanted to acknowledge students that have made significant effort across their studies.

### In Year 7:

Samuel G in 7Y2 for his creative writing and using engaging descriptions.

Luke C (7EDJ) for excellent work and for his enthusiastic approach to English lessons.

### In Year 8-

Eris P (8WHA) for always completing her work beautifully and pushing herself to improve her best work

### In Year 9-

Ellie M (9NOU) for always being helpful in the classroom to other students and for putting in 100% effort in her class-work.

Brooke T, 9Y1– for trying hard in her Sherlock Holmes and successfully analysing the text

Amy C - excellent focus in class and always working hard

# Celebrating Success!

## Year 7 Stars

Certificates were awarded to Year 7 'Stars of the Month,' to recognise the students who have been awarded the most achievement points. They were given a gold metal star pin badge and a bag of sweets.

## Yr 8 Awards for Most Credits

Mr Southby gave out his achievement awards for the students with the most credits in each form. "I am very proud of the fantastic start to the year they have made," he said. Credits are awarded for behaviour, attitude and work ethic. Grace 8MAN - Gracie-Mae 8KHA -Scarlett 8JOS - Grace 8COS - Natasha 8HLE—Eris 8WHA

## Year 9 Attendance Awards!

Ms Tebbutt's Year 9 students made a great start to the Year, as they were awarded Bluewater vouchers for having fantastic attendance throughout Year 8 (despite the pandemic)
