SHOUT OUT!

HOY Welcome- Ms Tangi

Welcome to the third edition of our fortnightly newsletter. I hope this finds you and your family well.

I have had many discussions with you regarding progress and online work recently. Seneca remains the main platform for posting work and this will continue to be done fortnightly. There has been a significant increase in the time spent on Seneca over the last two weeks which is very pleasing to see. Collectively over 104 more hours were logged on Seneca since our second newsletter with nearly 80% of the year group actively participating in the virtual classes. It is great that you are finding the work accessible and engaging - remember that all your teachers are contactable should you be struggling with any aspect of the work.

This week is Mental Health Awareness Week with the main focus being on Kindness. During this week, take time to think about how you could demonstrate acts of kindness to your loved ones. See page 2 for more information.

With this in mind, I'd like to praise Danny Keen for his baking efforts in last issue's Challenge. His cake looked delicious. You can check out the other entries on page 3.

Don't forget it is half term week from 25th May. Home schools deserve a break too so make sure you are up to date with your work so that you can enjoy the week off. The warm weather looks set to continue so stay safe in the sun, don't forget your sunscreen and maybe take on my HALF TERM CHALLENGE!

Stay safe and look after each other.

Ms Tangi

BEHIND THE HEADLINES

We just had to share the amazing wood-work Clark Fuller in Year 8 has completed at home since the lockdown begun.

All the staff are so impressed with

his carpentry skills!

Partial Re-opening of Schools

Currently there are Government plans for schools to provide face to face tutorials for students in year 10 and 12 from 1st June if medical professionals deem it safe on 28th May.

The planning for this is underway and parents in those years groups have been notified.

Unfortunately there are no plans for years 7-9 to return at this time. We will keep you all updated should anything change as changes are happening regularly.

We would like to remind you that next week is half term and we are not expecting you to complete school work over this week. Have a good rest!

REMEMBER: All your teachers are available to support and help you with your work– Useful school email addresses:

Wellbeing

Discovering Kindness

As we enter our ninth week of lock down, it is important to remember that those currently self-isolating could be feeling lonely. Simple acts of kindness could make a big difference. Perhaps you could think of five kind acts you could do over the next few weeks to help people who are struggling with all the changes? Perhaps you could teach a relative a new skill, cook a meal for the family or help with some jobs around the house? Remember by staying at home as much as possible you are all helping save lives - this could be one of your kind acts. Other

acts of kindness could involve letting someone go ahead of you in a queue, or giving friends compliments of social media. Being there for a friend, or taking time to check in and call someone is also a great act of kindness.

Remember, that although this situation is temporary, kindness and kind acts are always needed.

Danny Keen

Molly Read-

Well done to all the students who accepted the 'Bake Off' challenge from the last edition and submitted pictures of their cakes.

Reading at Home

During lockdown reading is more important for students than ever. As well as helping academically it is also associated with improved mental wellbeing, whilst opening up countless new worlds to explore.

Bexley Library Service have a whole host of **free online resources** that can be accessed by library members whilst branches are closed including; eBooks and eAudio books (including titles for children & teenagers) and digital versions of newspapers and magazines. Please see the links below to these resources and also one on how to join the library.
