

THE CLEEVE PARK CALLER

Year
8

Issue 4

June 11th 2020

HOY Welcome, Ms. Tebbutt

Hello again and welcome back to our fourth edition of the Cleeve Park Caller.

I hope you are well rested after the Half-term break and managed to get outside with your families and friends now that some of the restrictions in lockdown are lifting.

This week I started reading a new book, which is why this week's challenge is all on reading! The book I am reading is all about the prisoners of Auschwitz, it was so powerful that certain parts have had me in tears! Reading is a great method for relaxing and taking some time out for yourself, so now is a great time to try to do more reading.

I have still been receiving lots of excellent work from you all, so thank you and well done. Your teachers have been sending through lovely messages from about how hard you are all working and I will be rewarding the students who get recommendations with vouchers soon.

Currently, the school is getting ready to welcome a small group of Year 10 and 12 students back each day—I have my fingers crossed that I will get to see you all again soon too.

Stay safe everyone, Ms Tebbutt

BEHIND THE HEADLINES

School Closures Continue

Secondary schools and colleges are to provide limited face-to-face tutorials for small groups of students taking exams next year; current Year 10 and Year 12.

Only 25% of students will be able to attend class at any one time due to the extra health and safety measures which are needed to keep staff and students safe.

This commences from 15th June.

All other year groups continue with home learning.

We continue to monitor the DfE guidance closely to ensure we can accommodate any potential changes.

We would love to know how you are, and what you have been doing which has personally helped your mental wellbeing during lockdown? Please do also share any struggles or challenges you have faced, and how you have dealt with them. Being open and honest about our experiences (good and bad) can have a really positive impact on our own mental health and can also encourage others to talk and share their worries too. Email tellit@clevepark-tkat.org with anything you would like to share - your stories can make a real difference and will remain anonymous (unless you want to be named). THANK YOU SO MUCH!

This week was very exciting as, finally- we were able to celebrate the opening of Cleeve Meadow School on the Cleeve Park site.

Cleeve Meadow School has been designed to provide specialist education for 120 pupils aged 11-19 with moderate learning difficulties. The new school will be managed by The Kemnal Academies Trust (TKAT) part of its family of 45 Academies across London and the South of England.

Executive Head teacher Mrs Tyler-Maher officially took possession of the keys to the new building from Project Manager David McPherson,

on behalf of the construction team at Galliford Try.

The new free school has 12 teaching rooms, a therapeutic hub, large open plan library and IT space. Facilities also include a specialist music department, performing arts centre and a full-sized artificial football pitch that will also be available for Cleeve Park School pupils to use.

Existing and new pupils will be welcomed from September 2020, once all the IT facilities and furniture are installed.
