Welcome– Mrs Osman & Mr Luck

Welcome to the sixth and final edition of our fortnightly newsletter.

Dear Year 12,

This will be our last newsletter to you this academic year, and we hope it is one that finds you well. You've officially made it to the end of Year 12 and we want to start by saying how proud we are of each and every one of you for staying strong, keeping it going from home and trying your best.

It has been extremely important to us that you have stayed engaged with your school by communicating often with your teachers and keeping them up to date with your work and issues you may be having from home. For this we have rewarded those of you that have been a success at engagement by emailing your school email accounts with an Amazon Gift Voucher! So check your emails to see if you have received one!

Those of you who have struggled to engage with us, please remember that we are here for you. If you've struggled with technology and have told us, we have ordered chrome books to support you. We hope that those of you who have mentally struggled with the situation, that you can find it in yourself to adjust to the new way of learning and get on board with Google Classroom and communicate with us to support you where needed.

Your teachers will be continuing to send you work over the summer, as we really can not afford for you to stop working. Of course this will be slightly less than what it has been and of course we want you to rest, but we are also aware that we want to make Year 13 as least stressful as possible for you on your return.

In September there will be some slight role changes as Mrs Osman being back from maternity leave, will move back into Head of 6th Form, and Mr Luck will be Head of Football Academy and Vocational Courses, and fortunately still heavily involved with KS5! Together they will be 'mum and dad' of 6th Form!

Please make sure you catch up over the summer with any work you're behind on, as well as complete new work set, get those personal statements done, re visit your CV's and get as much sun and fun as possible!

We can not wait to see you all in September!

Have a great Summer Year 12. I look forward to seeing you all in the Study Centre again in September.

Mrs Adamthwaite

Goodbye Year 12, I hope you use the summer wisely (work experience or completing UCAS forms!! Wink) and I will be ready to give you any careers advice again in September. Mrs Unger

How to use laughter to lift your mood

It's well-known that laughter is a great stress-reliever, and a regular dose of hysterics can do us the world of good. But what happens when we're feeling low and struggle to find the 'funny' side?

This 4 minute read is well worth the time and can definitely help to lift your mood.

★ Department Stars ★

The students below have been given subject awards directly from their subject teacher. This could be for submitting outstanding work, completing all work set during lockdown, persevering with a task even if difficult and generally working well

Shout outs to our super stars!

Psychology - Megan Beer, Nancy Albon, Atlanta Spurrier

Sociology - Catherine Shuttleworth, Natasha Bremer

H&S Care - Daisy Knight

Maths - Tia Collins

Science - Mikey Simpson

Economics - Arif Abdurrahman, Elamin Bakar, Grace Kimpton, Abel Paun

Well done guys, for your consistent hard work through out this entire time, producing wonderful work and always communicating with your teachers direct.

IF YOU GET TIRED,
LEARN TO REST,
not quit.

Executive Head-teacher's Address

Hi Everyone,

This is my very last message to you before I leave next week to go and lead a performing arts university. I am however counting on being invited back to see the wonderful productions that you will be able to showcase in your very fancy new theatre - which is truly amazing - or for the sports men and women out there, seeing you win trophies on our new 3G pitch - which is also truly amazing.

Looking back over the past 8 years I feel so lucky to have had the privilege to be a part of your lives, helping to nurture and see so many of you develop from children into young adults. Our school has become a school of choice in our local community. That is something all of you must and should be proud of because you and our staff make up that amazing community. When visitors come to look around the school they feel the strength of your personalities shine through - don't let anyone take that away from you. I am so very proud to have been Head Teacher of Cleeve Park School.

When you are all back in September, having had almost 6 months out of school, it may feel strange but remember the staff will be there, as always, to guide and support you. Follow their guidance and before you know it you will soon get used to the new way of working.

My message to you all is to seize every opportunity available to you, make the most out of your time and you will flourish. I have had the most amazing journey at Cleeve Park, one I will never forget.

Please look after yourselves, be safe, be brave and make every moment in your life matter.

With best wishes to you all ,

Jenni Tyler-Maher
