The Cleeve Park Caller

Year 8

Issue 6

July 10th 2020

HOY Welcome– Ms. Tebbutt

Welcome back to the final edition of our school Newsletter.

As always I hope you have been keeping safe and well. As we approach the end of term, it's time to reflect on what an amazing year it has been… These past three months I have had nothing but wonderful emails from so many of your teachers praising your high standard of work and self-motivation, it really has been so inspiring to see how so many of you are dedicated to your studies. I am so very proud of how you have all handled such an unusual time. I have seen so many improvements over the last year and these changes have all been down to your hard work and dedication! Well Done!

Normally, we would have an awards evening to celebrate all your successes throughout Year 8, but as this is not possible due to the pandemic, we have put together this special edition Newsletter for teachers to nominate students who deserve a special prize for their work ethic and attitudes. If you have been nominated for an award, you will receive a Bluewater gift voucher and certificate from the designated subject area. We will send the certificates in the post, but your Bluewater voucher code will be emailed to you.

As we look back at out achievements, a few things stand out for me: I particularly enjoyed our Halloween Quiz with Miss Tangi and the Easter Hunt! Watching so many of you in the School production of 'The Wizard of Oz,' was also a highlight.

I am really looking forward to seeing you again in September– in the meantime, please continue to log in to your Google Classrooms account as there will be some work for you to complete over the holidays.

Take care, Ms Tebbutt

The Head of Year Award

It is my honour to announce that the Head of Year award for 'Year 8 Student of the Year' goes to Kyle Wilkinson.

Kyle is an exemplary member of our school community– he does not have any behaviour points, but has a lot of credits which reflects his positive and friendly attitude.

He participates in extra curricular activities and gave a strong, confident performance as the Tin Man, in 'The Wizard of OZ.'

A polite and conscientious student, Kyle can be relied upon to help out with leading school tours with visitors or to help settle new students into school and he deserves to be recognised for always being a fantastic student.

The KS3 Achievement Awards

Art

Award for Dedication and Commitment to Studies:

Lily-Mae Chaplin- For consistently trying her best to master new skills and techniques

Award for Academic Excellence:

Matthew Wright– For consistently demonstrating a high level of commitment to his studies in Science

The KS3 Achievement Awards

Executive Head-teacher's Address

Hi Everyone,

This is my very last message to you before I leave next week to go and lead a performing arts university. I am however counting on being invited back to see the wonderful productions that you will be able to showcase in your very fancy new theatre - which is truly amazing - or for the sports men and women out there, seeing you win trophies on our new 3G pitch - which is also truly amazing.

Looking back over the past 8 years I feel so lucky to have had the privilege to be a part of your lives, helping to nurture and see so many of you develop from children into young adults. Our school has become a school of choice in our local community. That is something all of you must and should be proud of because you and our staff make up that amazing community. When visitors come to look around the school they feel the strength of your personalities shine through - don't let anyone take that away from you. I am so very proud to have been Head Teacher of Cleeve Park School.

When you are all back in September, having had almost 6 months out of school, it may feel strange but remember the staff will be there, as always, to guide and support you. Follow their guidance and before you know it you will soon get used to the new way of working.

My message to you all is to seize every opportunity available to you, make the most out of your time and you will flourish. I have had the most amazing journey at Cleeve Park, one I will never forget.

Please look after yourselves, be safe, be brave and make every moment in your life matter.

With best wishes to you all,

Jenni Tyler-Maher

The KS3 Achievement Awards

Well done again to all our students—if you didn't win an award this term, don't be disappointed. By logging onto Google Classrooms over the summer and completing the work set , you will be in a strong position to be nominated for an award from your Head of Year in the Autumn term.

If you aren't sure how to use Google Classrooms, please check your emails as your log-in details– and videos that show you how to access and submit work -have already been sent to you.

You can also follow the steps below...

Logging into Google Classroom

1. Go to Google.com. Click the sign in button in the top right
2. Enter your Google Classroom username and password then click next. Your login details were sent to your school email
3. Click the nine dots in the top right then select Classroom. You will now see all your classes on Google Classroom.

Finding/submitting work

4. Choose a class, then click classwork at the top. Click the lessons to view a video or PPT. When you have gone through all 3 lessons select the task, Click view assignment at the bottom
5. When the task opens, read the instructions carefully, then click on the worksheet/link/PowerPoint/quiz. If it is a worksheet or PowerPoint, click the 'Open with' button at the top and select either Google Slides or Google Docs to be able to write on it. Complete the task and when finished, close the tab. It saves automatically
6. To submit the work, click the 'Add or create' button, then select Google Drive. When you see the pop up appear, select the first file in the top left and then click Add. Click the hand in button to submit work. If you have anything else to say, use the Private comment box below to submit additional comments to your teacher
