*incorporating Welling United FC Football Academy*

*Commitment, Pride, Success*

# PROSPECTUS

# 2024

# Welcome

We thank you for your interest in our school and taking the time to get to know Cleeve Park School and the values we stand for.

At Cleeve Park, we offer a Post 16 education that prepares students for whatever their next step in life holds. Not all students know what they want to do when they finish school, so we see it as our responsibility and honour to support young people navigate this stage of their education, preparing them for the known and unknown world ahead. The excellent support and guidance throughout Years 12 and 13 provide each member of our sixth form with the expert advice and guidance required to assist with the next step in their lives, be it university, apprenticeship or employment.

We provide a comprehensive curriculum that will enable young people to specialise or have a broad Key Stage 5 offer that will allow choices to be made at a later stage. We have excellent facilities that support the independent learning that is required at Key Stage 5, but also maintain the pastoral and social support that young people need.

Our pastoral team ensure that our Post 16 students are encouraged to build skills of resilience and independence but also we understand that this is not necessarily straightforward or easy. Students have access to a private study suite fully equipped with computers staffed by an experienced Study Supervisor. We have also introduced silent study rooms, timetabled for every period, to provide an environment for extended writing and literary learning for those students whose needs require a smaller environment. The students also have their own canteen which provides a more relaxed environment at break and lunch away from the main part of the school.

We have high expectations of all students. Targets are challenging, based on GCSE outcomes, and students are expected to set their ambitions high. Students are encouraged to express themselves, celebrate diversity and widen their interests. Many of our students remain with us from Year 7 through to Year 13, but we have an increasing number of students who join us in Year 12. Our transition programme and support for them means that they are welcomed into our community, quickly becoming part of Cleeve Park.

We look forward to welcoming you so that you experience our offer for yourself and immerse yourself in our unique and vibrant community of learners who, with expert teaching and support, strive to be the very best that they can be.

Alex O'Donnell  
**Executive Head Teacher**  
**Cleeve Park School**

**Mission statement:** *The TKAT Sixth Form experience is one that aims to deliver an excellent provision that ensures all students have the opportunity to meet their full potential and allows them to be truly aspirational.*

The Sixth Form team are looking forward to meeting you as a prospective student in our September 2024 cohort. As a Cleeve Park School Sixth Form student you are our priority; your progress, your needs and well-being come above all else. The Sixth Form team will actively monitor your academic progress, attendance and punctuality; providing support and intervention where necessary to ensure you have the opportunity to reach your full potential.

Our aim within the Sixth Form is to develop every one of you to your full potential. By the time you finish your education with us you will have the qualifications needed for your next steps, but we will also ensure you are equipped with the life skills needed to become capable young adults ready for the workplace or further education. You will take part in a Personal Development Programme linked to your PSHE, Careers and UCAS/Apprenticeship interventions. This will ensure you have an understanding of the importance of looking after your wellbeing, help you gain experience in writing personal statements and learn how to create strong CVs. You will also be expected to participate in the Work Experience and Money Matters programmes we run.

We perform regular holistic reviews of all sixth form students, both academically and pastorally, to ensure we are preparing you to be the best you can be in the world beyond secondary education.

**Miss K Tangi, Head of Sixth Form**

## **TKAT Sixth Form Ambition - 'Inspiring learners, changing lives'**

TKAT's ambition is that our Sixth Form education provides an excellence that supports you to be truly aspirational, ensuring you have the opportunity to meet your full potential. Our Sixth Forms are accessible to all students who wish to study level 3 courses such as A levels and Vocational Courses such as BTECs. Each Sixth Form provides an environment of aspiration, respect and openness, enabling all students to thrive.

By joining a TKAT Sixth Form you will be joining an ambitious, forward thinking Sixth Form that will offer you a wide range of opportunities alongside challenging curriculum pathways which are led by highly qualified staff. Students from TKAT Sixth Forms will be fully supported throughout their curriculum pathway to ensure that they make excellent progress and are able to access their ambitious future destinations, whether they be apprenticeships or other vocational pathways, employment, or further college and university study.

The decision you make for your Post-16 education is so important and will pave the way to your future. Choose to be part of a community of learners who share the mindset of success and are driven by the prospect of opportunity for all.

**By joining a TKAT Sixth Form in 2022 we will aim to ensure that you receive the following:**

- Challenging curriculum pathways
- Respectful and inclusive learning environments
- High quality teaching
- Pastoral provision that focuses on supporting your health and well being
- Preparation for 'beyond sixth form' and the wider world of work
- Excellent UCAS and Oxbridge preparation
- Excellent preparation for Apprenticeships and other vocational destinations
- Access to 'aspire' events that provide you with high quality careers information
- Access to a Trust wide delivered Extended Professional Qualification

# Welling United FC Football Academy

Here at Cleeve Park School we understand the importance of supporting you through your development both inside and outside of school. Outside of the traditional courses offered at Post 16, we have over recent years created a strong relationship with Welling United Football Club, enabling our Football Academy students to develop their academic profile alongside their sporting profile. Students enrol at Cleeve Park School to become part of our Post 16 cohort and are taught within classroom settings to earn their UCAS points for further education.

Football Academy students attend training sessions on three days, with Wednesdays allocated to match/game days. We are expanding the Football Academy provision and from 2022 we will be including a female course alongside our current male cohorts.

Our Football Academy students thrive on the education offered from the specialist PE team within Cleeve Park School but also allows you to combine your academic studies and football development over the two year programme. The academic options include Level 3 Diplomas in Sport & Physical Activity, A Levels and Level 3 Technical Qualifications.

## The programme offers;

- First Team & other Senior Team Opportunities
- FA Level 1 & 2 Coaching Qualifications
- Training & Match Analysis (Veo & Playermaker Technology)
- International Tours & Tournaments
- Further Education Pathways to UK & USA Universities
- Career Pathways into Sports / Leisure industry

In addition, students will benefit from working with UEFA A License Coaches and playing in the U19 Academy South National League, as they are 1 of only 22 clubs nationally that are accredited with Football Academy Status.

**Mr B Crouch**  
Head of  
Football Academy

As a student on the football academy scholarship course you will also provide a pivotal role within the school in the promotion of extra curricular activities. The players support the coaching in school football sessions, referee in some of the Key Stage 3 games and become positive role models for our younger community.

## The Sixth Form Team

### Senior Leadership of Key Stage 5

Miss K Tangi  
Head of Sixth Form

Mrs D Rogers  
Sixth Form Pastoral Lead

Mr B Crouch  
Head of Football Academy

Mrs J Taylor  
Sixth Form Pastoral Support
