

Commitment, Pride, Success

PROSPECTUS

2025

Welcome

We thank you for your interest in our school and taking the time to get to know Cleeve Park School and the values we stand for.

At Cleeve Park, we offer a Post 16 education that prepares students for whatever their next step in life holds. Not all students know what they want to do when they finish school, so we see it as our responsibility and honour to support young people navigate this stage of their education, preparing them for the known and unknown world ahead. The excellent support and guidance throughout Years 12 and 13 provide each member of our sixth form with the expert advice and guidance required to assist with the next step in their lives, be it university, apprenticeship or employment.

We provide a comprehensive curriculum that will enable young people to specialise or have a broad Key Stage 5 offer that will allow choices to be made at a later stage. We have excellent facilities that support the independent learning that is required at Key Stage 5, but also maintain the pastoral and social support that young people need.

Our pastoral team ensure that our Post 16 students are encouraged to build skills of resilience and independence but also we understand that this is not necessarily straightforward or easy. Students have access to a private study suite fully equipped with computers staffed by an experienced Study Supervisor. We have also introduced silent study rooms, timetabled for every period, to provide an environment for extended writing and literary learning for those students whose needs require a smaller environment. The students also have their own canteen which provides a more relaxed environment at break and lunch away from the main part of the school.

We have high expectations of all students. Targets are challenging, based on GCSE outcomes, and students are expected to set their ambitions high. Students are encouraged to express themselves, celebrate diversity and widen their interests. Many of our students remain with us from Year 7 through to Year 13, but we have an increasing number of students who join us in Year 12. Our transition programme and support for them means that they are welcomed into our community, quickly becoming part of Cleeve Park.

We look forward to welcoming you so that you experience our offer for yourself and immerse yourself in our unique and vibrant community of learners who, with expert teaching and support, strive to be the very best that they can be.

Alex O'Donnell

Alex O'Donnell
Executive Head Teacher
Cleeve Park School

Mission statement: *The TKAT Sixth Form experience is one that aims to deliver an excellent provision that ensures all students have the opportunity to meet their full potential and allows them to be truly aspirational.*

The Sixth Form team are looking forward to meeting you as a prospective student in our September 2025 cohort. As a Cleeve Park School Sixth Form student you are our priority; your progress, your needs and well-being come above all else. The Sixth Form team will actively monitor your academic progress, attendance and punctuality; providing support and intervention where necessary to ensure you have the opportunity to reach your full potential.

Our aim within the Sixth Form is to develop every one of you to your full potential. By the time you finish your education with us you will have the qualifications needed for your next steps, but we will also ensure you are equipped with the life skills needed to become capable young adults ready for the workplace or further education. You will take part in a Personal Development Programme linked to your PSHE, Careers and UCAS/Apprenticeship interventions. This will ensure you have an understanding of the importance of looking after your wellbeing, help you gain experience in writing personal statements and learn how to create strong CVs. You will also be expected to participate in the Work Experience and Money Matters programmes we run.

We perform regular holistic reviews of all sixth form students, both academically and pastorally, to ensure we are preparing you to be the best you can be in the world beyond secondary education.

Miss K Tangi, Head of Sixth Form

TKAT Sixth Form Ambition - 'Inspiring learners, changing lives'

TKAT's ambition is that our Sixth Form education provides an excellence that supports you to be truly aspirational, ensuring you have the opportunity to meet your full potential. Our Sixth Forms are accessible to all students who wish to study level 3 courses such as A levels and Vocational Courses such as BTECs. Each Sixth Form provides an environment of aspiration, respect and openness, enabling all students to thrive.

By joining a TKAT Sixth Form you will be joining an ambitious, forward thinking Sixth Form that will offer you a wide range of opportunities alongside challenging curriculum pathways which are led by highly qualified staff. Students from TKAT Sixth Forms will be fully supported throughout their curriculum pathway to ensure that they make excellent progress and are able to access their ambitious future destinations, whether they be apprenticeships or other vocational pathways, employment, or further college and university study.

The decision you make for your Post-16 education is so important and will pave the way to your future. Choose to be part of a community of learners who share the mindset of success and are driven by the prospect of opportunity for all.

By joining a TKAT Sixth Form in 2025 we will aim to ensure that you receive the following:

- Challenging curriculum pathways
- Respectful and inclusive learning environments
- High quality teaching
- Pastoral provision that focuses on supporting your health and well being
- Preparation for 'beyond sixth form' and the wider world of work
- Excellent UCAS and Oxbridge preparation
- Excellent preparation for Apprenticeships and other vocational destinations
- Access to 'aspire' events that provide you with high quality careers information
- Access to a Trust wide delivered Extended Professional Qualification
