

24th June 2022

Dear Parent/Carer/Student

## **YEAR 12 INDUCTION DAY**

I am delighted to share with you our Year 12 Induction Programme for 2022. This is a two stage process designed to ease the transition between KS4 and KS5 and to get our prospective students engaged with their KS5 learning before they return to school in the Autumn Term. It is a carefully designed programme consisting of induction lessons, bridging sessions and pre-course summer tasks as follows:

### **Stage 1: Induction day on Tuesday 5th July 2022 - 8.35am until 1pm**

We are pleased to invite all prospective students to attend a taster day at Cleeve Park School.

The day will be made up of a welcome assembly, taster lessons for some subjects and a bridging session which will focus on skills students will need to adapt from KS 4 to KS 5- these sessions include:

How to revise for A level exams,

What is plagiarism and referencing,

Banking and financial advice.

The day will also give students an opportunity to meet some of their teachers and view the facilities at the school. Students will also have the chance to socialise with each other during the afternoon BBQ which will be provided by the school. The dress code for the day will require you to be in smart business wear.

### **Stage 2: Pre-course tasks**

Pre-course tasks will be completed over the summer break and will be shared with students, on **Monday 11th July**, via the school website. These will help students keep in touch with their learning over the summer period so that they can 'hit the ground running' at the start of the academic year. Students will need to save this work and have it ready to submit to their class teachers once we finalise the start of term arrangements, which will be shared in due course.
