Welcome letter for new Year 7

Dear Parent/Carers and students,

I am writing to welcome you to Cleeve Park School and to introduce you to a key member of our team who will be looking after your transition from Year 6 into Year 7.

Mr Moloney is our new Head of Transition and he will be making sure your move from primary school into secondary school is as smooth as it possibly can be. When you visited Cleeve Park last September/October we talked to you about our induction days and our summer school as well as the plans for the new building and its facilities. Unfortunately we are not able to hold induction days or summer school this year due to COVID19 but we have been able to complete the new building with its incredible music and performance spaces and the new all-weather 3G pitch has also been opened. I am sure you remember that part of the new building is home to Cleeve Meadow School students who are due to move into their new school in September.

Mr Moloney is putting the finishing touches to a video he has produced as a reminder of all the things you have got to look forward to when you start with us – the new gym is being fitted over the summer holidays so that will be an added surprise when you join us in September. It will be with you shortly – we hope you enjoy it.

Along with the video, Mr Moloney is going to be sending you out a newsletter with lots of information that we hope will answer some of your questions and help you get prepared for the new school year, but if you have any queries please do not hesitate to contact him on Transition@cleevepark-tkat.org. He is also trying to find the best way to introduce you to other members of your tutor group prior to you starting – details to follow.

Unfortunately, I am not going to be here to personally welcome you to Cleeve Park School as this September I am moving to a new job, leading a performing arts university. I will however keep in touch to make sure you are all enjoying the new facilities and are settling in well. Mr Moloney will be working alongside Ms Morgan, Assistant Head Teacher and both will be working under the guidance of Mrs Bonner, Senior Deputy Head Teacher and Mr Lee Faith, Executive Head Teacher. I leave you in very capable hands.

Wishing you all the very best.

Stay safe.

Jenni Tyler-Maher
Executive Head Teacher
