Welcome
Year 6

Edition 2

HOY – Mr. Moloney

Hello year 6, I hope you are all well and enjoying yourselves the best you can in these strange times. I have been reading your competition stories and your questionnaires and I must say it has made me look forward to meeting you in even more; you really are a talented group. It has been really nice to speak to some of your parents on the phone and get your emails. I am confident that you will settle in really quickly to year 7– we are going to be the best year ever!

When you arrive on your first day you will be met by our friendly staff members who will give you a name badge so we can quickly learn your names, You will then go with your form tutor to your classroom and spend sometime with them so that you can get to know each other. For the rest of the day you have 3 sessions—Art, Drama and PE, these are aimed at induction, well being and team work. I think you will really enjoy this day. More information to follow next week.

Enjoy your weekend and tell your parents to keep an eye out for the zoom link so we can have a virtual meet next week.

Keep safe Mr Moloney

There will be new goal posts and basketball hoops. This is just another of the many things we are improving for your enjoyment.
