

Lead Practitioner for English

Start date: 1st September 2020

Closing date: 10th February 2020

About Cleeve Park School

We are a popular 11-18 school, providing an excellent education for all our students, with a commitment to learning, pride in our community and sharing success in all we do. We are situated in attractive grounds in the south of Bexley and located within easy reach of the M25 with good access to both central London and rural Kent.

About our Trust and your role

TKAT (The Kemnal Academies Trust) is one of the largest Multi-Academy Trusts in the South of England with over 40 Primary and Secondary Academies in the TKAT Family.

As a Lead Practitioner, you will promote a relentless focus on the quality of Teaching and Learning in English (and the wider school when appropriate). You will also lead the development and implementation of a broad, balanced and relevant curriculum that meets the needs of its young people and produces positive outcomes.

It is important to TKAT that we develop our staff and you will have the opportunity to work with our well established and successful Teaching School Alliance to support you in the professional development of staff.

Who are we looking for?

We are looking to hear from experienced or rising Leaders with experience of inspiring teams to deliver outstanding learning for young people within English.

We are looking for someone who knows how to bring a creative and innovative approach to improving performance and support for our teachers and students. An excellent communicator, you will act as an ambassador for TKAT and will have demonstrable experience of working in partnership with colleagues within a faculty and/or beyond.

If you are a truly inspirational, highly motivated and forward-thinking leader, with the energy and passion to bring about change this could be an excellent opportunity for you.

In return for your experience and commitment TKAT offers earned autonomy over the strategy and direction of their schools, excellent school-to-school support from the centre and on-going professional development.

We are committed to safeguarding the welfare of students and expect all staff to share this commitment. An enhanced DBS check will be required for the successful applicant.

We reserve the right to close the application process early if suitable candidates apply.
